ATTEND THE CHURCH OF YOUR CHOICE THIS WEEK

JESUS replied, "You are in error because you do not know the Scriptures or the power of GOD" (Mt 22:29) His response was to the most well-placed, wealthy and formally educated leaders in Jewish culture, as they were wanting to hear His words so they could use them against Him. (Matthew 21:23-22:46 is a fascinating read). Sadducees' issues were Levirate marriage and life after death. They believed both could not work together, so life after death was most likely foolish thinking. It could be said their world view was secular. Instead of dismissing heaven and resurrection because of mere appearances ISee John 7:24), their thoughtfulness should have gone into why/how both God's allowed rules and creation are true and harmonic. That's a Biblical worldview. What do you think JESUS would say to secularists and their agenda today? Thin He's changed His mind since Mt 22:29?

Kansas License Plates to Undergo Makeover

TOPEKA—License plates for newly registered cars in Kansas are undergoing a makeover.

The new plates will carry the same designs currently offered, but will be flat instead of embossed. Additionally, new plates will be delivered directly to the vehicle owner in the updated process.

"This project completely modernizes the way the State of Kansas produces and delivers license plates," Governor Jeff Colyer, M.D. said. "The old process has been in place since the first license plate was created by the state in 1913, so it is long overdue for streamlining. My administration is prioritizing providing more effective service for Kansans at the best price."

The transition to the new process will be complete
