Thought for the week

"God's plan is better than anything we can imagine."

Have you ever thought about how love is being redefined for us by those rebelling against GOD? More and more kinds of lust, tolerance to the extreme it's indistinguishable in practice from apathy, and relationships devoid of the presence of GOD- that would sum it up in short. JESUS says, "If you love me, you will obey what I command... My command is this: Love each other as I have loved you." Read John 13-17 then ask yourself, "If we separate GOD intentionally from our lives, can what is left ever contain love?" The answer is, "No." That's why a rebelling world redefines love. Intentionally embrace JESUS to be in your life and see if your understanding and experiences of love doesn't change for the better and best!
